Due to shortage of time the proposals relating to grant of temporary recognition to Honours subjects and grant of temporary recognition to new subject were deferred to the next HPC meeting.

**9. General Observations (GOs):**

One general observation (at Sl. xvi) is made by the committee in addition to the fifteen general observations already made earlier (Sl. i to Sl. xv).

- i) Proposals for increase of seats or opening of new stream can only be considered after appearance of at least one batch of students.
- ii) Any new teacher/non-teaching staff required for managing/teaching the students on account of increase of seats be funded out of self financing route. The honorarium/remuneration of these teachers should be at par with other teachers in the college. The college management should give an undertaking and affidavit before taking new students. The H.P.C. observed that this should be followed strictly in view of the restrictions of the Finance Department on account of new appointments.

- iii) The qualification of I.T. lecturers and Computer Science lecturers shall be MCA and B.E. in I.T. or B.E. in Computer Science or MSc (Comp. Science).
- iv) Regarding grant of Temporary Recognition (TR) for back periods, HPC had earlier decided to keep the period as such, but as this is creating problem for the institutions on continuity of Recognition, the HPC felt it necessary to reverse the earlier decision and allow TR for back periods.
- v) The college/institution has to produce a certificate from Tahasildar regarding location of land and building owned by the college authority for Permanent recognition.
- vi) Permanent recognition would be given in 2-3 years i.e. after passing of one batch of students, if the college fulfills the necessary conditions as provided in the Orissa Education Act, 1969.
- vii) Any permission for opening of new colleges, increase of seats, opening of new stream, opening of new subject and opening of Hons. subjects will be considered by May every year. Similarly for grant of recognition (temporary/ permanent), the colleges/institutions have to apply by the end of August every year which is to be considered in the month of September/October. Thus there would be two phase of HPC in a year, one for Opening Permission and the second for grant of Recognition.
- viii) Five subjects are to be allowed for +3 colleges having 64 seats instead of 4 subjects.
- ix) For opening of new subjects/new streams due to restriction by Finance Department, no new faculty can be recruited by the management. They can run it under self-financing mode like I.T. or Computer Science only. If any college is willing to abide by this condition, it can open a new subject/new stream.
- x) Sanskrit as an 'Elective' subject in +2 Science seems to have been included in 2007 vide notification No. 14019/HE dt. 01.03.2007. As the matter is under reconsideration of Government, all matters relating to any college opting for 'Sanskrit' as an Elective subject under +2 Science stream is to be deferred till a decision in the matter is taken by the Government.
- xi) Separation of laboratory between Junior and Degree College is necessary. Similarly improvement of Science laboratory for opening of Honours subject is essential and has to be certified before grant of FTR for any new Honours subject.
- xii) At present, there are 35 Self-Financing +2 Science Junior Colleges functioning in the Municipal limits of Bhubaneswar. It was reported that there are applications

for starting 25 more +2 (Junior) Residential Science Colleges in and around Bhubaneswar. As there are a large no. of vacant seats in existing Residential Colleges and as starting of 25 new Colleges would require a large number of trained teachers/Lecturers, the committee felt that giving opening permission to such large number of Junior Science Colleges would not be in the interest of education. Secondly, there seems to be no felt need to start so many new Junior Colleges in the Capital City when feeder High Schools are limited.

- xiii) The HPC observes that in the interest of students and their future, the colleges should have separate land recorded in their name as per provisions of O.E. Act, 1969. Some colleges are taking the plea that the Educational Agency (EA) has got the land but it is seen that the same EA is operating more than one educational institution over the same plot of land. So for the interest of the students one year time is allowed (till 30.06.2010) to all EAs to record separate land in the name of the college/institution failing which no further recognition shall be allowed to the EA. The concerned EA should file an affidavit before the PA to that effect after which conditional recognition shall be accorded in favour of these colleges/institutions.
- xiv) It is decided to accord permission to professional colleges either with minimum permission of 60 seats if one course is permitted to open or with minimum of 30 seats each if two courses are permitted to open to make the colleges viable.
- xv) Permission for opening of Honours subject would be given to a college, which has M.Phil/Ph.D. qualified teachers having completed minimum 05 years of service in that college.
- xvi) For grant of permanent recognition in increase of seats, opening of new Honours subjects, enrolment of at least 3 & 4 years for +2 & +3 respectively, pass out of at least two batches; creation of additional infrastructure and appointment of required faculty will be the criteria for consideration. P.As may recommend individual cases accordingly.

After being aggrieved by the HPC decision the EA made prayer before the Hon'ble High Court through OJC No.5658/96 and the Hon'ble High Court disposed of the case vide order No.11 dt.21.10.98 by upholding the conclusion of the Inspecting Officer that there was need for establishment of college taking into account the number of +2 passouts of the nearby +2 colleges. However, the college has obtained opening permission from the session 1999-2000 with Pol.Sc., Hist., Education optional subjects with 64 seats and has obtained Permanent Recognition from the session 2006-07. The petitioner has made the appeal to get opening permission and recognition from 1994-95 instead of 1999-2000. Since no action is being taken by the appellate authority, the petitioner being aggrieved by such</p> <p>inaction has preferred the present writ application and the Hon'ble High Court vide order under reference directed opposite party No.1 appellate authority to dispose of the appeal of the petitioner within a period of three months.</p> <p>It is reported on basis of TR by PA that the petitioner's college has admitted students from the session 1994-95 to 1998-99 and students have also appeared in the University Examination.</p> <p>In view of the above, it is decided to grant retrospective permission and recognition to Motto +3 Degree College from the session 1994-95</p>

There was another college namely, Sashtri Smruti Mahavidyalaya, which applied for grant of opening permission on 28.07.1994 for the session 1994-95. The HPC rejected the application of the petitioner's college for granting opening permission for the session 1994-95 and communicated to the petitioner vide DHE letter No.43469 dtd.22.09.1995. The petitioner being aggrieved filed appeal before the appellate authority which was also rejected on the same ground as observed by the HPC. Later on they filed OJC No.3270/97 against rejection of opening permission. The Hon'ble High Court vide their order dtd.02.08.99 passed direction to grant permission on the basis of recommendation of inspecting officer.
