7. General Observation:

- i) Proposals for increase of seats can only be considered after appearance of at least one batch of students.
- ii) Any new teacher/non-teaching staff required for managing/teaching the students on account of increase of seats be funded out of self financing route. The honorarium/remuneration of these teachers should be at par with other teachers in the college. The college management should give an undertaking and affidavit before taking in new students. The H.P.C. observed that this should be followed strictly in view of the restrictions placed by the Finance Department on account of new appointments.
- iii) The qualification of I.T. lecturers and Computer lecturers shall be MCA or B.E. in I.T. or B.E. in Computer Science.
- iv) Regarding grant of Temporary Recognition (TR) for back periods, HPC had earlier decided to keep the period as such. This is creating problem for the institutions regarding continuity in Recognition. Therefore, the HPC felt it necessary to reverse the earlier decision and allow TR for back periods.
- v) The college/institution has to produce a certificate from Tahasildar regarding location of land and building owned by the college authority for Permanent recognition.
- vi) Permanent recognition would be given in 2-3 years i.e. after passing of one batch of students, if the college fulfills all the necessary conditions as provided in the Orissa Education Act, 1969.
- vii) Any permission for opening of new colleges, increase of seats, opening of new stream, opening of new subject and opening of Hons. subjects will be considered by the month of May every year. Similarly for of grant of recognition (temporary/ permanent), the colleges/institutions have to apply by the end of August of every year which is to be considered in the month of September/October. Thus there would be two phase of HPCs in a year, one for Opening Permission and second for grant of Recognition.
- viii) Five subjects is to be allowed for +3 college having 64 seats instead of 4 subjects.
